MAY BE TAKEN TO HOSPITAL

Cleveland Woman at Marysville Reformatory Suffering from Tumor, Claim

J. H. Reel, manager of the LaRue Telephone Co., and today that he is not in position to make any statement regarding the existence or non-existence of a plan of action at the time.

The question of territorial rights is reported to be one of the chief points involved. The LaRue company has its main office in Kenton and it is alleged that in addition to securing poor service in communicating with the quarry in Marion County, toll charges are levied.

The toll is legal, due to the quarry and the company office being located in different telephone districts. The LaRue concern objects, however, to paying for service which it represents as unsatisfactory.

In filing its complaint, the LaRue concern asked the state commission to transfer its Marion County quarry into the territory of the Kenton Telephone Co., or to designate the property as being in the joint territory of the LaRue and Kenton companies and to order the latter to furnish the quarry with telephone service out of the Kenton exchange.

At that time, Mrs. Katherine Kehler, Cleveland woman imprisoned at the Marion County women's reformatory for the murder of her husband, Dan Kehler, will be removed to a hospital for an operation regarded as necessary to save her life, was indicated today by H. E. Hall, Marion man who is managing as her attorney.

Reports coming from Marysville to the effect that Mrs. Kehler refuses to undergo an operation because of her attorney costs.

Because of this lack of confidence in her past, it is deemed advisable to remove her elsewhere for the operation, Hall states.

A thorough investigation of the case, the Marion attorney says, convinced him that Mrs. Kehler was compelled to perform work at the reformatory which overtaxed her strength. About four weeks ago he engaged Dr. Frank Ferguson at Mt. Carmel Hospital, Columbus, to examine Mrs. Kehler and immediately thereafter she was released of her work. Prior to that time she had been operating a laundry room in the reformatory laundry.

Dr. Brock, in consultation with the reformatory physician, ascertained that Mrs. Kehler is afflicted with a tumor. Development is expected soon, Dr. Brock indicated, in the movement started some time ago to obtain a parole for the Cleveland woman.

At 12 days have elapsed since the girl was taken to her home, it is regarded as practically certain that none of her associates at the camp contracted the disease. Symptoms of the ailment ordinarily develop within a week after exposure, Dr. Weiser says.

Improvement Reported.

Improvement was reported today in all five cases now under the supervision of city and county health authorities.

Dr. Weiser announces that as long as conditions will not become more serious than they are at present, he will take no steps to enforce more drastic restrictions here. Had he regarded the situation as unusually serious at any time he would have called in a state health official to make a survey, he says.

At state health headquarters in Columbus, yesterday, Col. C. P. Robbin, chief of the division of communicable diseases, issued a warning to parents urging them to keep their children at home in districts where infantile paralysis is prevalent.

Of first importance, he said, is the advisability of preventing children from attending public gatherings.

The situation in general throughout the state is becoming more serious, Col. Robbin stated. Seventy-three cases have been reported to state headquarters since Aug. 1, most of these being in Tuscarawas, Belmont and Hamilton counties.

Are you always sure your tone has done good?

John Reed Wood Dies At Home in Caledonia

HOLD UP WARRANTS

Disturbance May Cause Death of Former Clerk, Doctor Warns

Newcomerstown, Aug. 15.—Two warrants issued for the arrest of former Corporation Clerk Harry Delaney, remained unexecuted today, after the M. J. H. Canton, informal authorities, a disturbance might cause Delaney's death. He has not spoken since Friday, though he remains conscious.

The warrants charge the clerk issued a warrant for his removal earlier at 3:30 a.m. when only seven months wages were due, the other charges are related to a warrant for \$600.00 for labor to a man who never worked for the village.

NO ADDITIONAL CASES FOUND

City Health Commissioner Optimistic Over Infantile Paralysis Situation Here

Although the spread of infantile paralysis continues in some sections of the state, there is no occasion for alarm in Marion and vicinity and development of a large number of cases is not anticipated here, Dr. W. J. Weiser, city health commissioner, indicated today.

At the same time he joined with state health authorities in urging the public to exercise utmost care to avoid contacts and conditions which might result in further spread of the disease.

So far as is known, Dr. Weiser stated, there have been no exposures outside of the immediate families of the five patients in the county now being treated, with one exception. This exception was in the case of Nancy, eighteen-year-old daughter of Mr. and Mrs. E. L. Usner, 413 Simmslawn, who was taken ill while a girl's camp.

Dr. Brock, in consultation with the reformatory physician, ascertained that Mrs. Kehler is afflicted with a tumor. Development is expected soon, Dr. Brock indicated, in the movement started some time ago to obtain a parole for the Cleveland woman.

At 12 days have elapsed since the girl was taken to her home, it is regarded as practically certain that none of her associates at the camp contracted the disease. Symptoms of the ailment ordinarily develop within a week after exposure, Dr. Weiser says.

Improvement Reported.

Improvement was reported today in all five cases now under the supervision of city and county health authorities.

Dr. Weiser announces that as long as conditions will not become more serious than they are at present, he will take no steps to enforce more drastic restrictions here. Services To Be Held Saturday for Native of England

Caledonia, Aug. 18.—John Reed Wood, 81, a native of England and for 42 years a resident of Caledonia, died at his home here yesterday noon after a three days illness of hardening of the arteries.

Funeral service will be held Saturday afternoon at 2 o'clock at the Memorial M. E. Church with Rev. C. A. Mitchell, of Bell's Center officiating. Assisting will be Rev. H. E. Stevens and Rev. F. S. Fancher. Burial will be made in Caledonia Cemetery.

John Reed Wood was born at Finsbury, England, July 30, 1848, the son of Mr. and Mrs. James Wood. He married Selina Briggs at Driffield, England, May, 1873. Previous to their immigration to America, Mr. and Mrs. Wood did mission work for the Primitive Methodist Church of Driffield, England. In this country, Mr. Wood was affiliated with the Memorial M. E. Church of Caledonia. Surviving with the widow are one daughter, Mrs. Anne Elizabeth Robinson of England, two sons, George Wood, Cory, Pa., and William of Youngstown, three grandchildren and five great grandchildren.

CONGREGATION TO ACT ON SALEM CHURCH BIDS

Five Offers on Work of Improving Structure Are Submitted

Final decision on the letting of contracts for the improvement of the Salem Evangelical Church will be up to the congregation following the regular church services next Sunday morning. It was announced at the meeting of the building committee, last night.

Three bids have been submitted for the general contracting and two bids have been received for the installation of a new heating system. At the first meeting of the bids, a week ago, bids for the contracting and three for the furnace were received.

At that time all estimates were above the amount set for the cost of the improvement by the committee and the architect, J. Lewis Ellis. All

A Great Discovery

The Wonder Of the Age

External treatment with magnetism is one of the greatest discoveries of this age, producing most marvelous results, aiding ailments, restoring Health, Energy, Vitality, Strength, etc.

The Sykodener, based upon the discovery of the great German Biologist Prof. Warburg, is now for the first time being demonstrated in Marion. All

who have seen its wonderful phenomena are amazed. No one has been able to explain it. Chronic sufferers from near and far are calling, writing, phoning for appointment. Many have been put on the waiting list, for they could not all be taken care of thus far, at least.

We are prepared to show that the Sykodener system will reach practically any physical ailment that is within the reach of human skill. Fully seventy-five per cent of surgical operations can be prevented. Even cancer tumors can be removed without the knife. This is not mere theory, but a proven fact. It cannot fail, because it is correct in principle. It does not merely treat effects, but it removes the cause for disease.

You are not asked to buy it; only to try it. And the more stubborn your case has been, the more interested we are to prove to you what this system will do for you. It costs you nothing to find out. You will thank us ever after for giving you the opportunity, which but very few, outside of Marion, have had thus far.

All those who have given the Sykodener system a good trial, whether parasites, deafness, stomach, liver, kidney, bowel, or nervous diseases, are very enthusiastic in its praises. And all because it works, in harmony with Nature—gently, soothingly and sure. It is the talk of the town. And phone calls keep us very busy now. There's a reason!

GIVE IT A FREE TRIAL.
Write, call or phone for appointment in our demonstration room, or even to your own home. And marvel at its remarkable phenomena, and what it can do for you. Do it now while you still have the opportunity. You cannot afford to miss it. No cost or obligation.

The Sykodener Man, 227 Windsor St., Marion, Ohio.
If you like me, call me "Tom"—Al.

events reported to the committee as a general meeting and reported a second meeting by the congregation of the church last Sunday evening.

The estimated cost of the improvements will be \$1,000.00. The complete renovation of the front of the church, including installation of a new heating system and other improvements, is estimated to be between \$14,000.00 and \$20,000.00.

Should the bids prove favorable to the congregation next Sunday, the cost will begin to be met and work will begin on the improvements.

REMOVED TO HOME

Aug. 15.—J. C. Shirk removed his home to a home on N. Waterford this morning after undergoing an operation for the removal of a tumor, at Marion General Hospital, Marion.

He was operated on at 10:30 a.m. and was removed to his home at 12:30 p.m.

Shirk was a local boy, with one

son, and is the kind of a person

that one can be proud of.

M. L. WISE, 45, HELD ON LIQUOR CHARGE HERE

Hurts Jug Against Log When Confronted by Deputies at Home

An auto of Toledo, Ohio, driving east on U.S. 20, about 10 miles from Marion, was confronted by two Marion County Sheriff's deputies who arrested the man for driving under the influence of alcohol.

When the man, M. L. Wise, 45, of Toledo, was asked if he had been drinking, he replied, "Yes, I have been drinking." He was then asked if he had been driving, he replied, "Yes, I have been driving." The man was then asked if he had been drinking and driving, he replied, "Yes, I have been drinking and driving."

The arrest was made after a number of inquiries which had revealed regarding his driving. He was returning from a party held at the home of the defendant, Mrs. W. H. Weller, the wife of the sheriff, when he was placed in the arrest, the deputy stated.

Denmark News

Denmark, Aug. 18.—Miss Fern Peeler, visiting from Marion, and Mrs. Jim Eshleman, mother of Mr. and Mrs. Fred Eshleman, were guests of Judge and Mrs. W. H. Hunter.

Alfred W. Shiflett of Toledo, Ohio, was spending several days in Margate.

Mr. and Mrs. Lewis Blodgett of Fowler, Ind., and Mrs. Irene McElroy of Perry Township were guests of Judge and Mrs. W. H. Hunter.

Miss Edna Soper of Marion, 17, spent a few days recently with her grandmother, Mrs. J. M. Underhill.

Miss Lucy Hale, 18, from Marion, was last week with Mr. and Mrs. Harry Smith and family.

Little Miss Marion Underhill, then, is visiting this week with her grandmother, Mr. and Mrs. J. M. Underhill.

Miss J. T. Franklin, Columbus, gave a talk Sunday during the absence of the pastor Rev. R. D. Miller.

Mr. and Mrs. Henry Miller, called on Mr. and Mrs. Samuel Fighouse near Mt. Gilead Sunday night.

Mr. and Mrs. Abraham Fighouse, Indiana, called on Mrs. Fernanda Coughlin Sunday afternoon.

Mr. and Mrs. Christopher Henning, son of a Marion banker, with Mr. and Mrs. Marion Smith Salem.

Mr. and Mrs. Bruce Williams, Fulton and Mr. Walter Williams and daughter, Pinckney, Mr. Gilford spent Sunday with Mr. Thomas Williams.

One has to practice some in the road ahead before he puts out it hot foot.

MRS. LYDIA L. CARMINE IS CLAIMED BY DEATH

Aged Woman Stricken at Home of Daughter, Mrs. J. E. Gambrell, E. Church-st.

Following an illness of four days, Mrs. Lydia L. Carmine, 80, died yesterday morning at Marion, Ohio. She was the widow of Mr. John Carmine, who died in 1911 at the home of her daughter, Mrs. J. E. Gambrell, at 11 E. Church-st. She had been ill for several weeks.

Mrs. Carmine was the widow of John H. Carmine, 70, who died in 1911 after residing in Marion, Ohio, for 10 years. He was the son of Mr. and Mrs. John Carmine, who died in 1911 at the home of their daughter, Mrs. J. E. Gambrell, at 11 E. Church-st. She was born in Marion, Ohio, in 1860.

Surviving are a daughter, Mrs. Gambrell, an only daughter, and two sons, all residing in Marion. She was a sister of Miss Lydia J. Brinker, the daughter of Mr. and Mrs. Henry Brinker, who died in 1911 at the home of her daughter, Mrs. J. E. Gambrell, at 11 E. Church-st. She was born in Marion, Ohio, in 1860.

NO EXTENSION WILL BE GIVEN REALTORS, CLAIM

License Applications Must Be in on or Before Sept. 1.

Jacoby Says

The report of the General Assembly to the effect that an extension of time will probably be granted until October 1st to file applications for license under the new state law was incorrect. It is the real attorney and realtor who presented to the state board of examiners a motion to dis-

miss the extension of time as contemplated.

MARION MAN INJURED IN ACCIDENT AT ASHLEY

Byron E. Wilson, 263 W. Columbia-st., Reported Slightly Improved at Delaware

Mr. E. Wilson, 39, 263 W. Columbia-st., was reported slightly improved yesterday from his injuries received while in the automobile accident at Ashley late Friday.

Early Saturday morning he was admitted to the Marion Hospital, Delaware, after being operated upon for removal of a bullet from his right leg. He was admitted to the hospital by Dr. George D. Miller and Dr. J. M. Miller, Jr., of Marion.

Mr. Wilson, 39, of Marion, was a cook and waiter at the Hotel Marion Inn, Marion, for two weeks, with no pay.

He was shot in the right leg at about 10 o'clock Saturday morning by a man who was operating a truck at the Marion Inn, Marion, for two weeks, with no pay.

Mr. Wilson is a patient with C. A. Horowitz.

TRUCKS USED IN SHORT TRIPS

Railroads Handle Carload Lots and Goods Shipped to Distant Points

A motor truck has been following the railroads in the movement of tonnage in the Hocking Valley. It hauls from 100 to 150 miles, where it is used in the short hauls in the valley, as well as in the free trade areas of 30 miles.

Results of the use, which probably will last a year, on the Hocking Valley, Marion, and Logan roads, and Marion, as well as traffic on the Ohio River lines, operating the railroads have been announced here.

The report states that the cities selected by the railroads are located from seven to 150 miles apart from each other and were chosen to permit an analysis of the effect of length of haul upon the proportion of tonnage transported by motor truck and railroad respectively.

Important Factor
It appears the report states that distance is an important factor in the amount of tonnage handled by the truck. Between Columbus and Akron, Cincinnati and Toledo distances of over 100 miles, a very small part of the tonnage is hauled by truck, while between Columbus and Grove City and between Columbus and Alton distances of eight to 100 miles, respectively, almost all of the tonnage is transported by truck.

The proportion of motor truck tonnage invariably decreases with increased distance, the report declared.

Among other factors controlling the proportion of tonnage handled by trucks are the type of commodities and rail facilities. An illustration of the former was indicated in the movement between Columbus and Johnstown. Although Johnstown is only 22 miles from Columbus by highway and 31 by rail, 73 per cent of the tonnage is hauled by rail, practically all of which moves in railroad lots.

This high percentage of rail tonnage is due to the fact that 95.7 per cent of the commodities transported is gravel, sand and stone. These commodities can not economically be hauled by motor truck.

Accompanies Connors
F. A. Sparks, supervisor of the Toledo Division Hocking Valley Railroad offices here, yesterday accompanied N. S. Connors, general manager of the Hocking Valley, in an inspection tour over the division.

The trip from Columbus to Toledo yesterday morning was made in Connors' private car No. 300 attached to train 31. Other members of the inspection party were Chief Engineer Michael and W. L. Reller, engineer of main lines of way on the Hocking.

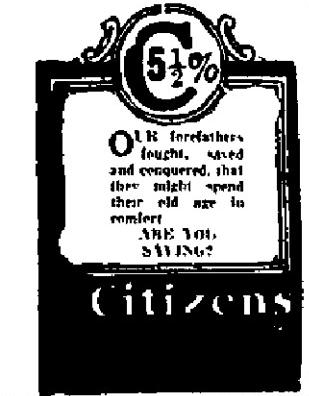

New State Record
Only a few more boldy excursions to Cedar Point and Sandusky will be operated from Columbus through Marion over the Pennsylvania lines this summer, the season at the summer resort being near a close.

Don't Reformers think there is ever a time to rest on his laurels?

Watch for THIS CLOWN

Stephenson Sent to Prison Keeps Big Men in Fear

Carl Klenck was Stephenson's chief bodyguard. Sketches above are of Madge Oberholzer, girl for whom death Stephenson was sentenced to prison for life, and events she described in her affidavit.

By BONITA WILF

OHIO NATIONAL, when a man is ousted from a powerful office and thrown into jail because his power subdues all together, that would not true concerning J. C. Stephenson, who declared he was the law in Indiana.

He found he wasn't the law—but men continued to face him even so.

The beginning of Stephenson's end as grand dragon of the Indiana Klan taking allegiance to Atlanta occurred when southerners charged he was trying to make the north against the south.

(To be continued)

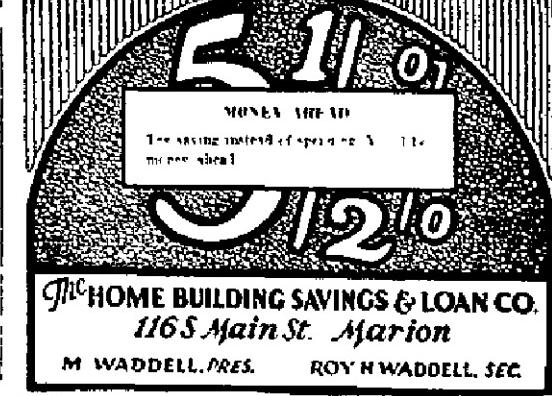

BUS DRIVER'S STORY THRILLS

Earl Klenck, pioneer bus driver, who lives at 116 Little Ave., Huntington, W. Va., says: "I had no appetite and even what little I ate digested with me. Rheumatic pains throbbed all through my body. I got so sick I had to stop work. I took Pepto for a short time and entirely regained my health."

For Pepto, it is sold and recommended by Bradley Drug Store and other leading drugists everywhere—Ade.

KIRKPATRICK WOMAN IS HURT IN FARM ACCIDENT

Routed Bumble Bees Set Team of Horses to Flight

Kirkpatrick Aug. 18—Mrs. Anna Brooks is in a critical condition at home, one half mile east of Kirkpatrick, as a result of a fall on the farm road.

Mrs. Brooks suffered a broken shoulder, fracture of both legs, a bleeding intestine, a broken arm, a bone fractured in a nose, and a clump of weeds where she was grazing eggs.

The horse and buggy of bumble bee killer, a farm hand, had driven the team over the bees, and fractured the horses.

Mr. Brooks, who was in the field, was knocked down, an arm broken and the sole of a shoe from which he sustained no injuries.

Reports from the Brooks home state Mrs. Brooks condition is such as may be expected.

BELIEVES PARKED CAR WAS TAKEN BY MISTAKE

P. F. Bates, 242 S. State, reported to the police late yesterday afternoon that his Ford touring car had been taken from in front of the O. K. Diner house on E. Center St. Bates told the police he had gone in the Kress store at E. Center and State streets and when he returned a few minutes later his car was gone. The fact that a Ford touring car very similar to the missing car, was parked next to where Bates had left his machine, leads the police to believe the Bates car was taken by mistake. The missing car carried Ohio license 760,006. No running plates were noticed of the theft by the police.

MRS. THOMAS HOSTESS TO THIMBLE BEE GROUP

Provo, Aug. 18.—The members of the Thimble Bee Club, met for their regular meeting at the home of Mrs. Elsworth Thomas, Tuesday afternoon. A short business session was held and a social time enjoyed. The time of meeting was changed to the third Wednesday of the month and the next meeting will be held at the home of Mrs. Ernest Martin Sept. 21. Guests were Mrs. Clarence Wilson of Muskegon Mich., and Mrs. Harry Johnson.

Other men who have been convicted in a homicide of the law, I am convinced.

Ever since his incarceration "Stevie" has been existing on rice, frieze, by his friends, as well as his enemies, and that some day he would tell all.

With the exception of a few letters smuggled out of the penitentiary, Stevie kept his mouth and those with whom he had been intimate believed themselves safe from publicity. But it was a false belief, for some at least, as time proved.

(To be continued)

His Allegations Angered

It is alleged that Stephenson had circulated a letter stating that the entire affairs of the national organization are in the hands of three southerners who are the most honorable men of the north, representing in Atlanta to the major of the rebels who once tried to destroy America.

Stephenson fought back but the regular Klan was determined to have no more of him.

Shortly after a meeting of Klan leaders was called in a hotel in Columbus at which charges were brought against the "Old Man," the title affectionately given Stephenson in his heyday. The charges ranged from drunkenness to alleged affairs with women.

The audience was greatly heated and a consultation delayed the shaken old state. He was ordered "finished."

Placed Behind Bars

Then, on April 2, 1925, he was arrested charged with the murder of Miss Madge Oberholzer, a young Indiana girl.

The young woman, a college graduate had been employed at the auto house and was eager for a political career, leaving near her family in Indianapolis. Stephenson had come to know her and had offered to aid her to obtain a new position.

He invited her to his home one evening and the tragedy occurred. In a dying statement she charged that Stephenson had kidnapped her and had taken her to Hammond, Ind., on a train to Georgia.

Stephenson was accompanied by his lieutenant, Paul Gandy, also indicted but freed at the trial.

Golf Tablets

At Hammond Hotel Miss Oberholzer swallowed poison tablets and Stephenson took her back to Indiana, spoke to her in his garage and refused to get medical aid according to testimony at the trial.

The following day Earl Klenck, another of "Stevie's" henchmen, also indicted but freed took her to his home, she charged in her dying statement, Klenck always had been on the trip.

Because he had refused to get a physician, Stephenson was indicted for murder and his henchmen were indicted for accessories.

Sentiment was strong against the former grand dragon of that time and a lynching was feared. A charge of venue was obtained from Marion county, Indiana, to Indianapolis, Indiana.

Sentiment was strong against him. Explaining the case, a states attorney said: "The winter before, if you can ever see it, Mr. Stephenson had been en route to New York, he never would have been convicted. Two men were waiting for a chance to railroad Stephenson into a situation in which opportunity arose. Of course the crime he committed was a most revolting one, yet he inflicted terrible harm on the girl, and we

Tuesday afternoon when they cruised
over the Jonathan Islands 70 miles off
the Golden Gate.

Miss Had To Land
Now could the plane continue as
it is going the northern Nether
plane was equipped with a landing
set. The Golden Eagle is a
flying set only. The Miss Doran
was dead and dumb.

More than 12 hours elapsed
the planes have already been flying in. Jim
Kline reports said the James and the
Doran was enough for only a few hours
over the estimated range of 1,000 miles. The Golden
Eagle also stayed the night at
the Jonathan Islands 70 miles off
the Golden Gate.

Seven destroyers about midday be-
tween the mainland and Hawaii started
a search for the two planes. The
destroyers were deployed at approxi-
mately 10-mile intervals.

Up All Night
Meanwhile the aircraft carrier
Langley and the Argo took
off from San Diego to pick up
the men on the Jonathan Islands and
work toward the Islands from that
point. Seven planes were chartered
in the deck of the Langley. Three char-
tered ships were carried by the
Arcoack. Radiating out from their
mother ship the planes will make an
extensive search of the route.

Up to the great naval base
the Federal Telegraph Co. and the
Radio Corporation of America threw all
their efforts into the search. All ships
at sea were notified of the failure of the
Golden Eagle and the Miss Doran
to reach their mark and asked
to be on the alert for signal flares and
floating planes.

The search in the vicinity of the
islands was no less minute. Thirty-two
automobiles and trailers had been de-
ployed in the intertidal channels in
preparation for the night. All these
ships took up the search today. The
U. S. gunboats and the mine-sweeper
Pecan sailed immediately toward the
mainland to take up the search from the
island side at noon today. Two
Hawaiian submarines will follow in
their wake.

BONITA ISLAND RESCUE

Recognizing the possibility that the
plane may have been forced down in
the desolate regions of one of the
islands army and navy officials ordered
a search of the remote recesses of
Mt. Kai, Maui, Hawaii and Hawaii. The
third possibility is that the plane may
have overshot their tiny target and may
have gone down in the jungle stretches
of the Pacific. The other side of the
Hawaiian group. While there is much
activity at Honolulu for the missing
aircraft and for Miss Mildred Doran
who was a passenger in the plane bearing
her name, hope has not been
abandoned.

• • •

PLANE SHOWS ANXIETY FOR SAFETY OF GIRL

Plane Miss Doran 10—Anxiously border-
ing on the hysterical gripped residents
of Maui today as minutes grew into
hours without news of the fate of Miss
Mildred Doran, the flying school
girl whose attempt to reach Home
Island from California in a solo flight
plane has apparently ended in disaster.

Miss Doran the only woman in the
island, is a native of Maui.

Alert crowds thronged the downtown
streets throughout the night, refusing
to go home until some definite word was
received. They grouped around news
paper and telegraph offices, and when
ever there was hope that news might
filter through.

Relations of Miss Doran were ex-
tremely nervous, but maintained a faint
hope that the overdue ship might yet
land safely.

William Doran Jr., University of Cincinnati senior law stu-
dent and oldest brother of Miss Doran,
paced the floor of a newsroom office.

His younger brother, Fred, 14, and a sister, Helen, 16, were in the house of
Mrs. Elmer Carlson on sun, who was
kept constantly advised as to the status
of William Doran Jr. He told his
son not to grieve him until he had
heard the "very best" of the very
worst.

• • •

PELHAM'S MOTHER AWAITING NEWS

Johnstown, Pa., Aug. 19—While the
Pacific Ocean was being combed for
trace of her missing aviator son, Mrs.
Frances Peiffer Joy, mother of Angie
Pedler pilot of the Miss Doran in
the solo Hawaii flight, anxiously
awaited news of the search here today.

She has not seen her son since Jan-
uary, a year ago.

"We were on our way north from
Florida," Mrs. Joy said. "When we
learned of Angie's decision to make the
dangerous flight, we couldn't make the
trip to the Pacific coast in time to see
the start of the race here."

"I'm not so sure that I have wanted
to be there anyway."

TURNER CERTIFIES ACT TO BAN INTERMARRIAGES

Columbus Aug. 19—Attorney General
Edward G. Turner today certified as
correct the passage of an initiated bill
seeking to prohibit intermarriages in
Ohio between white persons and negroes.

The stripes, submitted by Vernon
D. Eubanks, Columbus, reads:

"To prohibit and make unlawful the
intermarriage of white persons and
negroes and to make each marriage
null and void to make it unlawful for
any person authorized to solemnize mar-
riages to perform such marriages cer-
emony, to provide a penalty for viola-
tion of said law and to define a
negligent for the purpose of the act."

State officials say they all are
sure who was supporting the proposed
measure.

FLIGHTS DELAYED

None of Flights Take Off Because of
Stormy Weather

Jordan Aug. 19—None of the trans-
atlantic liners plan to stop at
British, French and German depots
for the United States was able
to get away this morning.

On Frank T. Conroy, British
Steamer Air Liner, near Southampton
when the bad weather abated.

TRALTO ON BILL THURSDAY

Scheduled Over WJZ

By Dr. Jack Brinkley
The name will be featured in the
series of WJZ's new music program.
The series will start at 7 p.m. on
Wednesday evenings during the
months of August and September.

Other Herbert selections will be
offered by the program, including
the blue notes of bluesman T-Bone
Walker, and the blues of Ruthie
Brown.

The program will start at 7 p.m.
on Wednesday evenings during the
months of August and September.

A primer piece will be heard from
WGN Chicago at 10:45 p.m. each night.
The show will broadcast its
first Friday night set from WDAF
at 10:30 p.m. The show will be heard at 8:30
from WFAA Dallas.

MAN FINED \$16.20 ON DISORDERLY CHARGES

George A. Johnson, Prospect,
pleads guilty to berating
Officer Who Tagged Car

It cost George A. Johnson just
\$16.20 to express his opinion to a
policeman who tagged his car while
the machine was parked on Superior
early yesterday morning without a tail
light.

Johnson, who gave his home as Prospect
when arrested and who is employed in
a local bus, paid the fine in municipal
court yesterday afternoon when he
pledged guilty to charges of disorderly
conduct and of sooting the extra
traffic ordinance by failing to have a
tailight burning.

He was arrested on Cleveland Avenue
shortly after 2 o'clock yesterday morning
after he had berated a patrolman
who had placed a tag on his machine.
According to the story told Municipal
Judge R. R. Martin by the arresting
patrolman yesterday, Johnson, who ad
mitted he saw the officer placing the
tag on the machine, followed him over
to Cleveland where he proceeded to
express his opinion of the police in no
complimentary manner. The argu
ment ended in Johnson being taken to
police headquarters where he was later
released when he paid up \$16.20 for his ap
pearance in court yesterday afternoon.

Marion's Father
Hurt in New York City

Mr. & Mrs. Charles E. Clark
of Marion, parents of Marion Clark,
son of Marion, were recently in New
York City.

Mr. Clark had been stricken with a
stroke while in New York.

He was admitted to the Wellington
Hospital.

Why Tiolene is Pure Motor Oil

THE "spinning out" of the paraffine wax is just
one of the many operations which assure the
superiority of Tiolene 100% Super-Pennsylvania
Motor Oil.

Wax adds nothing to the quality of the finished oil
and, so, for years, The Pure Oil Company has care
fully removed this element from Tiolene.

Huge wax presses are used and, after chilling the
oil to 20° below zero, centrifugal force is also utilized.
Whole batteries of centrifuges—which are exactly like
cream separators—whirling at 17,000 revolutions per
minute, throw off or "spin out" the heavier wax . . .
separate the unwanted from the wanted lubricating
elements.

This leaves an oil which is pure oil, which is all
oil, which is 100% motor oil. Tiolene, as a result of
this process, will lubricate properly under a wider
range of temperatures.

Not only is Tiolene made from the highest grade
crude oil produced on this continent—the famous
Cabin Creek Super-Pennsylvania Crude—but the
most expert refining further assures its supreme qual
ity. No care is spared, no cost is stinted, in preserving
all of the desirable lubricating qualities of Cabin
Creek crude.

Tiolene is 100% Super-Pennsylvania Motor Oil.
It will stubbornly retain its body under the most ex
treme motor conditions. It will give you more miles
of safe lubrication per fill.

Tiolene Motor Oil is sold at Pure Oil Company
Service Stations and by Authorized Dealers.

Tiolene
100% SuperPennsylvania MOTOR OIL

The Tiolene gold chart will tell you which one of the six weights of Tiolene was made for YOUR motor

Social Activities

MRS. EDWARD B. BELL, president of the Marion Club, will entertain at her home in Hilliard on Saturday evening, Aug. 15, for 25 Marion ladies. Mrs. J. W. L. and her daughter, Mrs. V. C. L., are to be the guests of the W. T. Hale family.

Mrs. J. J. Powell entertained at her birthday party in the room of a bridge last night at her home, 710 S. 12th St., for a group of Mr. and Mrs. and their wives, the Rev. Mr. and Mrs. Robert F. White, Mr. W. Stark and Mr. M. H. Bell. Flowers decorated the room and tables for the meeting of a local club.

One of the lively parties of the year was the April wedding of recently wedded Mr. and Mrs. Eddie Hough, former members of the Marion Club. The bride was a sister of Mrs. Edward B. Bell, who is a member of the former St. Vincent Bridge honor society awarded Miss Ruth Ethel McMurtry and Miss Lee the Braga. A color note of green still remains as child was carried out in appointments for the party.

Guests were members of the I. C. Club of which the honored guest is Mr. Edward Mrs. Charles Holt, Mrs. M. Miller, Mrs. Palmer Green, and Miss Virginia Koenig.

Speedy Relief From Bunions-Soft Corns

No sensible person will continue to suffer from those uncomfortable throbbing bunions plus when the new powerful penetrating oil becomes anti-septic. Emerald Oil can readily be obtained at any well stocked drug store. Apply a few drops over the inflamed part and see how speedily the pain disappears and the inflammation is reduced.

So marvelously powerful is Emerald Oil that soft corns seem to shrink right up and drop off.

All druggists guarantee our batch to give results and to dispense it to your foot sufferers—Ad.

A PAGE FOR WOMEN READERS

THEY'RE TAILED OR FRILLED

ARE you the mannish type of woman who delights to cut her hair in fashion wear tailored suits and low-cut necking shoes? Or are you the feminine type that loves clinging frilly things and high-heeled slippers?

Whatever type you are you may be suited in negligees as well as in all other matters pertaining to the wardrobe. Pictured above are the two styles, the more tailored model on the left—a tailored suit and little coat in beige netting with a ripple effect border in three tones of French blue.

A delightfully lace lounging robe—right—is made of rose colored chiffon over silver cloth and trimmed with silver lace. A panel of embroidery and silver beads finishes the garde. Marian Nixon posed.

The robes were decorated with bouquets of fall flowers while pink and white were the colors used carried out in a delightful lunch. Approximately 100 guests were present.

Mr. and Mrs. Green will be at home their friends after Sept. 6 at Brown Hill near Cleveland where Mrs. Green accepted the position as teacher.

Summer Fairholders Club

An annual picnic of the Summer Fairholders Club was held yesterday at Garfield Park. Lounge and contents featured the entertainment of the after noon followed by the people dinner.

In the contests Mrs. Frank Gehrig won in the ladies division and Mr. W. L. Williams was crowned Howard House. The first place in the boys contest was Richard Langdon was crowned. Mrs. Marion Gorenflo first place and Mrs. Dorothy Williams second in the girls contest and Miss Howard Winter was first and Miss Langdon was crowned in the children's contest.

Guests of the club at the gathering were Mrs. Joseph Founds and child William and Sheldon Akron and Mrs. Vern Barnhill and son Morgan of this city.

The club will meet next Wednesday afternoon at the home of Mrs. Frank Gorenflo.

Miss Ella Russell 26 Honored on Birthday

A party of friends and relatives pleasantly surprised Mrs. Ella Russell on her 26th birthday. Lunch was served with covers but for 30 including Mrs. Russell's sister, brother, four children, 10 children and four great grandchildren.

Two cups milk, two eggs, two table spoons coffee, one-third teaspoon salt, three tablespoons cornstarch, two thirds cup sugar. Beat well of eggs and sugar together. Pour boiling milk over cornstarch and salt stirring to avoid lumping. Then beat in sugar and egg mixture gradually and cook slowly in double boiler. Four cups baked pie shell. Beat whites of eggs, sweeten to taste with confectioners sugar, spread over pie and brown in oven.

CHOCOLATE MERINGUE PIE
